

# Appetite for Destruction

N.W.A

I got a taste for waste and a taste and a blood  
Murder I heard her when she screamed the "Drop!"  
Cuz it's on part of slung  
Relate this to no choice  
And listen to this straight-up man before they ban the voice  
While I ride to the rythem of a pop  
Remember the first nigga that runs is the first to get shot  
Whoever thinks that what I say and betray is negativity  
Need to come kick it in the city with me  
And find the black and crack de fact  
And take that shit back cuz they don't wanna fuck with that  
There's too many niggaz they're tryin' to calm  
If mothafuckaz could get it, nobody would've fuck with it  
Appetite for destruction -  
For him to get a bit more shit he gotta commit -  
Murder in the first degree - a man slaughter  
Takin' a life of his wife and young doughter  
A whole city of bitches they look sucked up  
And the niggaz iz killin' it's straight fucked up  
Whoever sayin' what I'm sayin'z for greed  
The 9 even when they're tryin' to feed my appetite for destruction

" .. you gotta know I'm talkin' to .. "

The Appetite is tremendous  
So I'm gonna spin this  
Drop up some violence because they ax me to end this  
Some trouble that I cought cuz I was noisy  
A nigga tried to take advantage because I'm de kamikazi  
He took de swing from my hand - thought I was faded  
Start runnin' for the door but the fucker never made it  
The sound of the 9 went BANG [shot]  
And all over the wall was his mothafuckin' brain  
Cuz I'm a nigga you can't sleep on  
So set the alarm, cuz I'm hittin' like a mothafuckin' bomb  
I do damage with the 9 in my hand  
But the average nigga they do not mean to understand  
I'm from the streets so therefor  
You know I don't care for  
A sucker that ain't down with the real niggaz the niggaz the niggaz yo  
And after when the shit gotta go ain't even sober  
Any time that the 9 wanna leave  
I got a .38 hittin' down the sleeve  
And it's ready to go to work cuz that's what it's here for  
I shoot down a milion niggaz and shoot one more  
And that's the milion and one  
They could'nt hang with the appetite  
Cuz they was'nt rappin' right  
So I had to destroy whoever was standin' in my presence  
For fuckin' up de asses appetite for destruction

"Cops would'nt hurt you, on your ass, man, you know, they realy degrade you,  
I suppose you don't believe that shit, don't believe in cops degrade you,  
Oh come on, those biddin'z, those people was resistin' arrest"

Check it out yo, in de house yo
