

## State of Mind

Nabiha

Na na na na

Light and shade, I've been pushing their pool  
I get em separate  
I explode with ideas overload but with my heart sense

Feel the fear, do it anyway  
No matter what they say, don't change your mind state  
On your game, be already gained  
Don't leave up the faith,  
Don't change your mind state.  
Give it all or nothing, your all or nothing, your all or nothing.  
Give it all or nothing, your all or nothing, your all or nothing.

It's only the state of mind, state of mind  
Only the state of mind, state of mind.  
It's only the state of mind, state of mind  
Only the state of mind, state of mind.  
Only the..

Those opinions take em spittin' into molecules  
in call hearing interference, I'll play all the rules  
I'm stepping my way all day every day  
Always.

It's not so hard to get your head around  
Let intuition in your heart lead out  
It's not so hard to get your head around

It's not so hard to get your head around  
Let intuition in your heart lead out  
It's not so hard to get your head around

Give it all or nothing, your all or nothing, your all or nothing.  
Give it all or nothing, your all or nothing, your all or nothing.  
Only the..
