

# Hyperspace

Nada Surf

Hands up who thinks it's now  
Home base is the bathroom where the lights are bright  
It's never too late if you know how  
We got our own brand of hyperspace  
You cannot change anyone  
There is no peace, there's only sun  
When you want to go, i know you will  
And i can see it all and i'm ok, but i wish there was another w  
ay  
There's no right and there's no wrong  
There's just the balance of the things you know
