

# Neither Heaven Nor Space

Nada Surf

So quiet  
It's neither heaven nor space, it's just high  
And the ring around the moon  
Looks like light and love  
Neither of which I get enough of  
Down there  
Where a lot of people lie, In a deep sleep  
And months on end go by, in a single week  
Down there

But much too slow  
Can't you see I'm trying so hard to plug up this hole  
The air is running out we're sinking much too low  
And if you sit long enough  
You can hear ghost trains  
As if the city speed  
Is just in our brains  
And coaxes close as we, get to sugar cane  
Down there

But much too slow  
Can't you see I'm trying so hard to plug up this hole,  
The air is running out we're sinking much too low  
So quiet, so quiet  
It's neither heaven nor space, It's just high  
And the ring around the moon  
Looks like light and love  
Neither of which I get enough of  
Neither of which I get enough of
