

Is It Love

Nadia Ali

never knew a love
A love that could be sweeter
No matter what my mind says
You're music gives me fever
The moment that we danced
Your arms felt like a cradle
And when you took my hand
I was no longer able

It never felt so right before
I need to be with you much more
I can't believe this kind of fate
We can runaway...

Is it love?

I'm always in a spell
even when i sleeping
You're always on my mind
I hope that i'm not dreaming

If i am let me stay asleep
Don't wake me up i feel complete
I never want to feel it end
What a lovely moment

Is it love?

I wanna give you my love
overtime overtime
I wanna make love to you
overtime overtime
I wanna be right next to you
overtime overtime
I wanna be in love with you
overtime overtime
