

## Is It Love

Nadia Ali

never knew a love  
A love that could be sweeter  
No matter what my mind says  
You're music gives me fever  
The moment that we danced  
Your arms felt like a cradle  
And when you took my hand  
I was no longer able

It never felt so right before  
I need to be with you much more  
I can't believe this kind of fate  
We can runaway...

Is it love?

I'm always in a spell  
even when i sleeping  
You're always on my mind  
I hope that i'm not dreaming

If i am let me stay asleep  
Don't wake me up i feel complete  
I never want to feel it end  
What a lovely moment

Is it love?

I wanna give you my love  
overtime overtime  
I wanna make love to you  
overtime overtime  
I wanna be right next to you  
overtime overtime  
I wanna be in love with you  
overtime overtime
