

Try

Nadia Ali

I know you don't believe me
When I say it's gonna be alright...
I know you're tired of tryin'
When you feel your soul is dyin' inside...
But you can count on me...
I live for you
You can lean on me...
Believe it's true!

You know that I try, I try, I try,
I try to make you feel alright...
You'll find, you'll find, you'll find
Me in the middle of the night...
I am your's to... love.

Every word escapes me
When I think of all the things I lost
Everywhere my head turns
It's a dead-end road, I know
But you can count on me...
I'm here for you
You can lean on me...
Believe it's true!

You know that I try, I try, I try,
I try to make you feel alright...
You'll find, you'll find, you'll find
Me in the middle of the night...
I am your's to love,
I... I...
I am your's to... love.

I... a...m...
Your's to love,
YOUR'S TO LOVE!

Mmmhh, yeah...

You know that I try, I try, I try,
I try to make you feel alright...
You'll find, you'll find, you'll find
Me in the middle of the night...
I am your's to love,
Fi...nd...
I am your's to love.
