

# Colours

Nadia Oh

Purple skies and candy rain, candy rain  
Paint balloons and aeroplanes, aeroplanes  
I want your rainbow love, love, love  
I want your rainbow love, love, love

Nadia up in the club  
Who knew I'd fall in love  
He was on the dancefloor  
Spazzing out  
He was so trashed, so they kicked them out  
Took him outside and they fucked him up  
Ran, ran, ran, your shit out of luck  
Now were in the bathroom, passing out  
He was horny, so I helped him out  
He said

Purple skies and candy rain, candy rain  
Paint balloons and aeroplanes, aeroplanes  
I want your rainbow love, love, love  
I want your rainbow love, love, love

I can see colours in my mind (5x)  
And I think, I can hear, I can feel  
Rainbows in the sky  
I can touch, I can taste it and I feel  
Rainbows in the sky (4x)

Dancing in the doorway, making out  
Girls in the bathroom, won't let me out

Sucking on lemon, at the bar  
Never really cared, who you said you are  
Cuz I can see a rainbow up in the clouds  
The club stood still but still fucking loud

Purple skies and candy rain, candy rain  
Paint balloons and aeroplanes, aeroplanes  
I want your rainbow love, love, love  
I want your rainbow love, love, love

I can see colours in my mind (5x)  
And I think, I can hear, I can feel  
Rainbows in the sky

I can touch, I can taste it and I feel  
Rainbows in the sky (4x)

Purple skies and candy rain, candy rain  
Paint balloons and aeroplanes, aeroplanes  
I want your rainbow love, love, love  
I want your rainbow love, love, love
