

You Are The One

Nadine Coyle

First boy i was with for 6 years
We had a lot of good times and a lot of tears
'til he asked me to be his forever
and i said we can't be together
second time i made sure he was a playboy
'cause all i wanted was a handsome man toy
but when he tried to lock me down
it was time for me to leave town
just when i thought love was overdone
i found you and was overcome

who would've known?
now i can't be without you
look how we've grown
there's no doubt about you
i don't even have to play it cool
i can be who i am in front of you
and if i need to run
you know where to find me
'cause you are the one
i'll always come back to you, you see
yeah, you are the one, you are the one for me.

just when i was perfectly happy
they started saying how we're so lucky
that's when it all started to change
a few weeks and a

maybe its my time to go
but you know me better than that
even if i don't want it i'll be back

When i feel like leaving
you make me believe again
when i feel like giving up
you say "oh baby stay"
i give you all the space you need
if you want me i'll set you free
'cause i know you'll come back to me.
