## 24 Hour Bullshit

Nailbomb

When the screens says it's too late No ones to blame but yourself I want to but everything you've got No hope now for the T.V. junk

24 hour bullshit

I want out don't want your help Spend my time trying to distance myself Fall in line now follow suit It's my god and my religion

Beer gun car & T.V. That's all I need I want to buy everything you've got I could care less
