

# Crying

Najwajean

I was all right  
For a while  
I could smile  
For a while  
When I saw you last night  
You held my hand so tight  
Then you stopped to say hello

Oh you miss me well  
You couldn't tell  
That I've been crying  
Over you  
Crying over you

And you said "So long"  
Left me standing all alone  
Alone and crying, crying, crying, crying  
It's hard to understand  
But the touch of your hand  
Can start me crying

I thought that  
I was over you  
But it's true, so true  
I love you even more  
Than I did before  
But darling  
What can I do  
You don't love me anymore  
And I'll always be  
Crying over you  
Crying over you

Rest my loneliness  
Rest my loneliness  
Rest my loneliness  
Rest my loneliness

It's hard to understand  
But the touch of your hand  
Can make me crying

It's hard to understand  
But the touch of your hand  
Can make me crying

It's hard to understand  
It's hard to understand  
It's hard to understand  
But the touch of your hand  
Can make me crying
