

Always Something There To Remind Me

Naked Eyes

I walk along the city streets
You used to walk along with me,
And every step I take reminds me
Of just how we used to be.

Oh, how can I forget you, girl
When there is always something there to remind me
Always something there to remind me

When shadows fall, I pass a small cafe
Where we would dance at night
And I can't help recalling how it
Felt to kiss and hold you tight

Oh, how can I forget you, girl
When there is always something there to remind me
Always something there to remind me

I was born to love you, and I will never be free
You'll always be a part of me

If you should find you miss the sweet
And tender love we used to share
Just go back to the places where we used to go,
And I'll be there

Oh, how can I forget you, girl
When there is always something there to remind me
Always something there to remind me

I was born to love you, and I will never be free
You'll always be a part of me

'Cause there is always something there to remind me

Always something there to remind me (repeat until fade)
