

# Voices In My Head

Naked Eyes

I don't know why I'm feeling lost  
It's only love  
I give you everything I've got  
It's not enough

Shutting my eyes I find  
Opening up my mind  
What is this sound I'm hearing

Voices in my head  
Telling me beware  
I hear voices in my head  
Everywhere

Whenever we're together  
It breaks my heart  
I've got a fantasy of which  
You are a part

Shutting my eyes I find  
Opening up my mind  
What is this sound I'm hearing

Voices in my head  
Telling me beware  
I hear voices in my head  
Everywhere

Shutting my eyes I find  
Opening up my mind  
What is this sound I'm hearing

Voices in my head  
Telling me beware  
I hear voices in my head  
Everywhere

Voices in my head  
Voices in my head  
Voices in my head
