

# You're Gonna Make Me Lonesome When You Go

Naked Eyes

I've seen love go by my door  
It's never been this close before  
It's never been so easy or so slow

I've been shooting in the dark too long  
When something's not right, it's wrong  
You're gonna make me lonesome when you go

Dragon clouds so high above  
I've only known careless love  
It's always hit me from below

But this time 'round it's more correct  
Right on target, so direct  
You're gonna make me lonesome when you go

Purple clover, Queen Anne Lace  
Crimson hair across your face  
You could make me cry if you don't know

I can't remember what I was thinking of  
Might be spoiling me too much, love  
You're gonna make me lonesome when you go

Flowers on the hillside, blooming crazy  
Crickets talking back and forth in rhyme  
Blue river running slow and lazy  
I could stay with you forever and never realize the time

Situations have ended sad  
Relationships have all been bad  
Mine have been like Verlaine's and Rimbaud

There's no way I can compare  
All those scenes, this affair  
You're gonna make me lonesome when you go  
You're gonna make me lonesome when you go

You're gonna make me wonder what I'm doing  
Staying right behind without you  
You're gonna make me wonder what I'm saying  
You're gonna make me give myself a good talking to

I'll look for you in old Honolulu  
San Francisco, Ashtabula  
You're gonna have to leave me now, I know

But I'll see you in the sky above  
In the tall grass, in the ones I love  
You're gonna make me lonesome when you go

You're gonna make me lonesome when you go  
You're gonna make me lonesome when you go
