## You're Gonna Make Me Lonesome When You Go

## **Naked Eyes**

I've seen love go by my door It's never been this close before It's never been so easy or so slow

I've been shooting in the dark too long When something's not right, it's wrong You're gonna make me lonesome when you go

Dragon clouds so high above I've only known careless love It's always hit me from below

But this time 'round it's more correct Right on target, so direct You're gonna make me lonesome when you go

Purple clover, Queen Anne Lace Crimson hair across your face You could make me cry if you don't know

I can't remember what I was thinking of Might be spoiling me too much, love You're gonna make me lonesome when you go

Flowers on the hillside, blooming crazy Crickets talking back and forth in rhyme Blue river running slow and lazy I could stay with you forever and never realize the time

Situations have ended sad Relationships have all been bad Mine have been like Verlaine's and Rimbaud

There's no way I can compare All those scenes, this affair You're gonna make me lonesome when you go You're gonna make me lonesome when you go

You're gonna make me wonder what I'm doing Staying right behind without you You're gonna make me wonder what I'm saying You're gonna make me give myself a good talking to

I'll look for you in old Honolula San Francisco, Ashtabula You're gonna have to leave me now, I know

But I'll see you in the sky above In the tall grass, in the ones I love You're gonna make me lonesome when you go

You're gonna make me lonesome when you go You're gonna make me lonesome when you go
