

Giveaway

Naked Raygun

Put on your coat and button your pride.
Take a deep breath and step outside.
Hide your hope tightly inside your fist-
to scared to think ya know you can't resist.

When a victory is sure,
you're not afraid to stir.
Plenty of yells to go around.
The other side is strong,
you might do something wrong.
(Then) nobody wants to make a sound.

((Giving it all away. - 2x) Giving it all
of what you own. - 2x)
