

# Tattoo Tears

Vernon, Nan

Why did you change your mind  
You can't undo the ties that bind  
Once drawn in blood the circle stays  
A pure white sun on a winters day

When will you learn there is no end  
There are no rules that you can bend  
Once you were so strong and I weak  
How soon you turned the other cheek

Tattoo tears on a guilty face  
Tattoo tears in this empty place  
Tattoo tears you know you're not alone

Why did you walk away  
You missed the best part of the day  
The back street kiss that said goodbye  
Has turned into the biggest lie

Tattoo tears on a guilty face  
Tattoo tears in this empty place  
Tattoo tears you know you're not alone  
Tattoo tears look in the mirror

You covered me with disgrace  
You can't even look me in the face  
And it's a bitter taste from your sweet tongue  
How could you kill a love so young

Tattoo tears

Tattoo tears on a guilty face  
Tattoo tears look in the mirror  
Tattoo tears you know you're not alone, not alone  
Tattoo tears look in the mirror
