

## Daydreams

Nana Mouskouri

Yes, I've been dreaming about you everyday  
Each and every day  
And I've been thinking about you  
All night long, I even wrote a song

Just to try and tell you how I really feel  
To make you understand my love is real  
That you're on my mind all the time  
I wish to God you were mine once again

I remember talking to you  
I remember walking with you  
I remember laughing all the time  
When you were mine

Now the day seems so long  
I can't face the night alone  
I beg you please  
Won't you please come home

I remember talking to you  
I remember walking with you  
I remember laughing all the time  
I remember singing to you  
I remember dreaming with you  
I remember loving you were were mine

And now the day seems so long  
I can't face the night all alone  
I beg you please  
Won't you please come home

I remember talking to you  
I remember walking with you  
I remember talking to you  
I remember walking with you
