Daydreams

Nana Mouskouri

Yes, I've been dreaming about you everyday Each and every day And I've been thinking about you All night long, I even wrote a song

Just to try and tell you how I really feel To make you understand my love is real That you're on my mind all the time I wish to God you were mine once again

I remember talking to you I remember walking with you I remember laughing all the time When you were mine

Now the day seems so long I can't face the night alone I beg you please Won't you please come home

I remember talking to you I remember walking with you I remember laughing all the time I remember singing to you I remember dreaming with you I remember loving you were were mine

And now the day seems so long I can't face the night all alone I beg you please Won't you please come home

I remember talking to you I remember walking with you I remember talking to you I remember walking with you
