Nana Mouskouri

Yes, I've been dreaming about you everyday Each and every day And I've been thinking about you All night long, I even wrote a song

Just to try and tell you how I really feel To make you understand my love is real That you're on my mind all the time I wish to God you were mine once again

I remember talking to you
I remember walking with you
I remember laughing all the time
When you were mine

Now the day seems so long
I can't face the night alone
I beg you please
Won't you please come home

I remember talking to you
I remember walking with you
I remember laughing all the time
I remember singing to you
I remember dreaming with you
I remember loving you were were mine

And now the day seems so long
I can't face the night all alone
I beg you please
Won't you please come home

I remember talking to you
I remember walking with you
I remember talking to you
I remember walking with you
