

## Fire And Rain

Nana Mouskouri

Just yesterday mornin' they let me know you were gone  
Or the plans they made put an end to you  
I walked out this morning and I wrote down this song  
I just can't remember who to send it to

I've seen fire and I've seen rain  
I seen sunny days that I thought would never end  
I seen lonely times when I could not find a friend  
But I always thought I'd see you again

Won't you look down upon me Jesus  
You've got to help me make a stand  
Just got to see me through another day  
My body's aching and my time is at hand  
And I can't make it any other way

I've seen fire and I've seen rain  
I seen sunny days that I thought would never end  
I seen lonely times when I could not find a friend  
But I always thought I'd see you again

Been walkin' my mind to an easy time, my back turned toward the  
sun  
Lord knows when the cold wind blows it'll turn your head around  
Well, there's hours of time on the telephone line to talk about  
things to come  
Sweet dreams and flying machines in pieces on the ground

I've seen fire and I've seen rain  
I seen sunny days that I thought would never end  
I seen lonely times when I could not find a friend  
But I always thought I'd see you again

But I always thought I'd see you again  
But I always thought I'd see you again
