

## Hello Love

Nana Mouskouri

Hello love, never thought we'd ever meet again  
But here we go around the same old moon

Oh - round and round and over and over  
Hello heartbreak, hello love  
Lalaleila...

Oh - round and round and over and over  
Hello heartbreak, hello love  
Hello, hello heartbreak, hello love

One more time I am on the merry run around  
I've paid the fare so many times before

Oh - round and round and over and over  
Hello heartbreak, hello love  
Lalaleila...

Oh - round and round and over and over  
Hello heartbreak, hello love  
Hello, hello heartbreak, hello love

Yes I know that tomorrow may bring loneliness  
But love today is all I'm living for

Oh - round and round and over and over  
Hello heartbreak, hello love  
Lalaleila...

Oh - round and round and over and over  
Hello heartbreak, hello love  
Hello, hello heartbreak, hello love

Oh - round and round and over and over  
Hello heartbreak, hello love  
Lalaleila...

Oh - round and round and over and over  
Hello heartbreak, hello love  
Hello, hello heartbreak, hello love
