

# Hold Me, Thrill Me, Kiss Me

Nana Mouskouri

Hold me, hold me, never let me go  
Until you've told me, told me what I want to know  
And then just hold me, told me  
Make me tell me I'm in love with you

Thrill me, thrill me, walk me down the lane  
Where shadows will be, will be hiding lovers  
Just the same as we'll be, we'll be  
When you make me tell you I love you

They told me, "Be sensible with your new love  
Don't be fooled thinkin' this is the last you'll find"  
But they've never been in the dark with you, love  
When you take me in your arms and drive me slowly outta my mind

Kiss me, kiss me, and when you do  
I know that you will miss me, miss me  
If we ever say adios, so kiss me, kiss me  
Make me tell you I'm in love with you
