Open The Door

Nana Mouskouri

Sometimes I remember the old days When the world was filled with sorrow You might have thought I was living but I was all alone In my heart the rain was falling The wind blew, the night was calling Come back, come back, I'm all you've ever known

Open the door and come on in I'm so glad to see you, my friend You're like a rainbow, coming around the bend And when I see you happy Well, it sets my heart free I'd like to be as good a friend to you, as you are to me

There were friends who could always see me Through the haze their smiles would reach me Saying okay, saying goodbye, saying hello Soon I knew just what I was after Was life and love, tears and laughter

Hello, my good friend Hello, my darling What do you know

Open the door and come on in I'm so glad to see you, my friend You're like a rainbow, coming around the bend And when I see you happy Well, it sets my heart free I'd like to be as good a friend to you, as you are to me

I used to think it was only me feeling alone Not feeling free to be alive to be a friend Now I know we all have stormy weather The sun shines through when we're together I'll be your friend, right through to the end

Open the door and come on in I'm so glad to see you, my friend You're like a rainbow, coming around the bend And when I see you happy Well, it sets my heart free I'd like to be as good a friend to you, as you are to me

Open the door and come on in I'm so glad to see you, my friends You're all like rainbows, coming around the bend And when I see you happy Well, it sets my heart free I'd like to be as good a friend to you, as you are to me
