

# Romeo

Nana Mouskouri

I studied Shakespeare when I was at school  
Thought Romeo was a pet  
Felt if I met him I'd act like a fool  
I'd be a poor Juliet

Now that I know him I'm not really sure  
For you're as charming as he  
Saying the same things to all the girls  
Or is it just to me

Romeo, why am I so in love with you  
Romeo, is it you or the things you do  
I've been yours from the first time you said: Hello  
Are you mine or just only my Romeo

I studied Shakespeare when I was at school  
Thought Romeo was a joy  
I like the true way he loved Juliet  
Just my ideal of a boy

You know I like you as my Romeo  
That's how I want you to be  
But if you're out on some other date  
Can you be true to me

Romeo, why am I so in love with you  
Romeo, is it you or the things you do?"  
I've been yours from the first time you said: Hello  
Are you mine or just only my Romeo
