

# The Wind Beneath My Wings

Nana Mouskouri

It must have been cold there in my shadow  
To never have sunlight on your face  
You were content to let me shine, that's your way  
You always walked a step behind

So, I was the one with all the glory  
While you were the one with all the strength  
Beautiful face without a name for so long  
A beautiful smile to hide the pain

Did you ever know that you're my hero  
And everything I would like to be  
I can fly higher than an eagle  
'Cause you are the wind beneath my wings

(The wind beneath my wings)

It might have appeared to go unnoted  
But I've got it all here in my heart  
I want you to know I know the truth, of course I know  
I would be nothing without you

Did you ever know that you're my hero  
And everything I would like to be  
I can fly higher than an eagle  
'Cause you are the wind beneath my wings

Did you ever know that you're my hero  
And everything I would like to be  
I can fly higher than an eagle  
'Cause you are the wind beneath my wings

Did I ever tell you you're my hero  
You're everything, everything I wish I could be  
And I, I can fly higher than an eagle  
For you are the wind beneath my wings  
'Cause you are the wind beneath my wings

Fly, fly, fly away away you let me fly so high  
Fly, fly, the wind beneath my wings, the wind beneath my wings  
Fly, fly, so high I get through the sky  
So high I almost touch the sky thank you, thank you  
Thank God for you, the wind beneath my wings
