

# Time After Time

Nana Mouskouri

Lying in my bed I hear the clock tick  
And think of you caught up in circles  
Confusion is nothing new, flashback  
Warm nights almost left behind  
Suitcases of memories

Time after sometimes you picture me  
I'm walking too far ahead, you're calling to me  
I can't hear what you've said  
You say go slow, I fall behind  
The second hand unwinds

If you're lost you can look  
And you will find me time after time  
If you fall I will catch you  
I'll be waiting, time after time

If you're lost you can look  
And you will find me time after time  
If you fall I will catch you  
I'll be waiting, time after time

After my picture fades  
And darkness has turned to gray  
Watching through windows  
You're wandering if I am okay  
Secrets stolen from deep inside  
The drum beats out of time

If you're lost you can look  
And you will find me time after time  
If you fall, I will catch you  
I'll be waiting, time after time  
You say go slow, I fall behind  
The second hand unwinds

If you're lost you can look  
And you will find me time after time  
If you fall I will catch you  
I'll be waiting, time after time

If you're lost you can look  
And you will find me time after time  
If you fall I will catch you  
I'll be waiting, time after time

Time after time  
Time after time  
Time after time  
Time after time  
Time after time
