

# Turn On The Sun

Nana Mouskouri

Turn on the sun, turn on the sun  
Light up the world, come everyone  
Turn off the wind, the thunder and rain  
Turn on the sun, let's smile again

Turn on the sun, turn on the sun  
Light up the world, come everyone  
Turn off the wind, thunder and rain  
Turn on the sun, let's smile again

Thinker, tailor man  
Radiate all the love you can  
Lawyer, engineer  
Let your heart be a pioneer

Turn on the sun, turn on the sun  
Open the doors, tell everyone  
Bad times are out, good times are in  
Turn on the sun, let's smile again

Minors, steeple-jack  
Warm emotions are coming back  
Sailor, stevedore  
Here's a message you can't ignore

Turn on the sun, turn on the sun  
Light up the world, come everyone  
Turn off the wind, thunder and rain  
Turn on the sun, let's smile again

Gather up all the goodness in you  
Turn on the sun, turn on the sun  
What a world when we all begin to  
Turn on the sun, let's smile again

Turn on the sun, turn on the sun  
Open the doors, tell everyone  
Bad times are out, good times are in  
Turn on the sun, let's smile again
