## **Why Worry**

## Nana Mouskouri

Baby, I see this world has made you sad Some people can be bad The things they do, the things they say But baby, I'll wipe away those bitter tears

I'll chase away those restless fears That turn your blue skies into gray

Why worry, there should be laughter after pain There should be sunshine after rain These things have always been the same So why worry now, why worry now, why worry now

Baby, when I get down, I turn to you And you make sense of what I do I know it isn't hard to say But baby, just when this world

Seems mean and cold Our love come shining red and gold And all the rest is by the way

Why worry, there should be laughter after pain There should be sunshine after rain These things have always been the same So why worry now, why worry now

Why worry now, why worry now Why worry, why worry Why worry now
