

Judgement Day

Nana

Chorus:

You can't run away, you can't run away, It's payback time, It's
Judgement Day

You can't run away, you can't run away, It's pay-
back time, It's Judgement Day

You can't run away, you can't run away, It's payback time, It's
Judgement Day

You can't run away, you can't run away, It's pay-
back time, It's Judgement Day

Rap 1:

Wake up in tha morning pray to God you know why - I believe from
the bottom of my heart

that's no lie - Lord forgive me and every human being I ain't shy -
Cheatin' switchin' places

in the line we all will die - Non-believers backstabbin' everyd-
ay - Diggin' deeper daily constantly your own grave - I refuse
loosing confidence in God I pray - I remind faces on

Judgement Day - Heartbeat increasin' you approach the whitness
stand - Flashbacks on your

mind as you shake and lift your right hand - Twelve o'clock bro-
ad and day light - Fasten

your seat belts makin' sure that they're pull tight - Judgement
Day I can see it in your eyes -

Put your hands in your pocket grab your wallet and don't lie -
Let me tell you one thing

my man time has come - Nowhere to hide and nowhere to run

Chorus x 1

Rap 2:

With the bible in my hand I preach and teach from land to land
- How many times must I

say it 'til you understand - Someday we all gotta pay - Butt na-
ked we came butt naked we go

away - Let me know the reason why you are killing for - Stop lo-
oking at the man livin' right

to your next door - Grab a hand and help as much as you can - A-
in't necessary for nobody

to eat out of a garbage can - If you know what I'm sayin' - Str-
aight from the messengers's

mouth with no delayin' - You had the time to change your mind -

You go for yours and let me go for mine - Judgement Day I can
see it in your eyes - Put your hands in your pocket

grab your wallet and don't lie - Let me tell you one thing my m-
an time has come - Nowhere to hide and nowhere to run
