

# Ain't No Easy Way

Nancy Sinatra

Ohhh

We started out as the greatest romance of the twentieth century  
But that burning love that I once felt, well, it's ancient history  
He used to really do something to me  
But somewhere, something went wrong  
(Something went wrong)

Lord, it's hard to tell your lover that the love you once had is gone  
Well, I searched the words of wise men  
(Well, I searched the words of wise men)  
Put my ear to the ground  
(Put my ear to the ground)  
But there ain't no easy way to let your lover down  
(There ain't no easy way to let your lover down)  
No, there ain't no easy way to let your lover down  
(Ain't no easy way to let your lover down)  
Ain't no easy way to let your lover down

You know we started out like a house on fire  
But the fire soon burned itself out and now all that's left in the smolderin  
g ashes is misery and doubt  
(Misery and doubt)

All along I've been telling him that he is the only one  
(The only one)  
How do I tell him that what I felt, well, it's all over and done?  
Over and done  
Well, I searched the words of wise men  
(I searched the words of wise men)  
I put my ear to the ground  
(I put my ear to the ground)

But there ain't no easy way to let your lover down  
But there ain't no easy way to let your lover down  
No, there ain't no easy way to let your lover down  
No, there ain't no easy way to let your lover down

Sock it to me  
Owwww  
Oh yeah

I was so sure that I found it this time  
He was going to give me his name

Ohhh, but in the morning when we're making love, baby  
It just don't feel the same  
He was quite a lover when we started  
A regular Romeo  
(A regular Romeo)

Lord, I wish there was an easy way  
Lord, I wish there was an easy way  
But one of us has got to go

Well, I searched the words of wise men  
Well, I searched the words of wise men

(Well I searched the words of wise men)  
Put my ear to the ground  
Put my ear to the ground  
But, there ain't no easy way to let your lover down  
But, there ain't no easy way to let your lover down  
No, there ain't no easy way to let your lover down  
No, there ain't no easy way to let your lover down

No, no, no, no  
There ain't no easy way to let your lover down  
I said there ain't no easy way to let your lover down

Got to get your  
Ain't no easy way to let your lover down  
Ain't no easy way to let your mama to let you down  
I said baby

Ain't no easy way to let your lover down  
Ain't no easy way to let your lover down  
Let me tell ya that there ain't no easy way to let your lover down  
No, there ain't no easy way to let your lover down  
There ain't no easy way to let your lover down  
Aha  
Ain't no easy way to let you down
