

# Do You Know the Way to San Jose?

Nancy Sinatra

La, la, la,...la, la, la  
La, la , la,...la, la , la

Do you know the way to San Jose?  
I've been away so long  
I may go wrong and lose my way  
Do you know the way to San Jose  
I'm going back to find, some piece of mind, in San Jose

L. A. is a great big freeway  
Put a hundred down a by a car  
In a week - or maybe two - they'll make you a star  
Weeks turn into years and quickly pass  
And all the stars, there never were, are parkin' cars and pumpi  
n' gas

You can really breathe in San Jose  
They got alot of space  
There'll be a place where I can stay  
I was born and raised in San Jose  
I'm going back to back to some kind of peace of mind in San Jos  
e

Fame and fortune is a magnet  
It can pull you far away from home  
With a dream in your heart, you're never alone  
But dreams turn into dust and blow away  
And there you are, without a friend, you pack the car and you r  
ide away

I've got lots of friends in San Jose  
Do you know the way to San Jose

Well, I'm telling you, I can't wait to get to San Jose

La, la, la,...la, la, la (4x)
