

For Once in My Life

Nancy Sinatra

For once in my life I've got someone who needs me, someone I've
needed so long
For once unafraid I can go where life leads me, and somehow I k
now I'll be strong
For once I can touch what my heart used to dream of
Long before I knew someone warm like you
Could make my dreams come true
For once in my life I won't let sorrow hurt me, not like it's h
urt me before
For once I've got someone I know won't desert me, and I'm not a
lone anymore
For once I can say: "This is mine you can't take it"
As long as I've got love I know I can make it
For once in my life I've got someone who needs me
