

## For Once in My Life

Nancy Sinatra

For once in my life I've got someone who needs me, someone I've  
needed so long  
For once unafraid I can go where life leads me, and somehow I k  
now I'll be strong  
For once I can touch what my heart used to dream of  
Long before I knew someone warm like you  
Could make my dreams come true  
For once in my life I won't let sorrow hurt me, not like it's h  
urt me before  
For once I've got someone I know won't desert me, and I'm not a  
lone anymore  
For once I can say: "This is mine you can't take it"  
As long as I've got love I know I can make it  
For once in my life I've got someone who needs me
