

# It's Such a Pretty World Today

Nancy Sinatra

It's such a pretty world today, look at the sunshine  
(Look at the sunshine)  
And every day's the same since I met you

It's such a pretty world today, knowing that you're mine  
(Knowing that you're mine)  
And happiness is being close to you

And though the rain may fall our skies will all be blue  
If I look close enough the sun will come shining through

It's such a pretty world today look at the sunshine  
(Look at the sunshine)  
Today and every day since I met you

It's such a pretty world today, look at the sunshine  
(Look at the sunshine)  
And every day's the same since I met you

It's such a pretty world today, knowing that you're mine  
(Knowing that you're mine)  
And happiness is being close to you

And though the rain may fall my skies will all be blue  
If I look close enough the sun will come shining through

It's such a pretty world today, look at the sunshine  
(Look at the sunshine)  
Today and every day since I met you
