

Love Eyes

Nancy Sinatra

Love eyes... Baby you sure got
Love eyes... Turn me on a lot
My world lies right there in your love eyes... your love eyes

Love eyes... Keep me all uptight
Love eyes... Make me do what's right
Me world lies right there in your love eyes... your love eyes

You know I know You know everything I do
'Cause everything I do, you know I do it just for you
Take me in your arms, make me realize
All I'll ever need is in your...

Love eyes... Nothing else will do
Love eyes... yeah, they keep my loving true
My world lies right there in your...

Love eyes... Baby you sure got
Love eyes... Man they turn me on a lot
My world lies right there in your love eyes
