

# On Broadway

Nancy Sinatra

They say the neon lights are bright on Broadway  
(On Broadway)  
They say there's always magic in the air  
(On Broadway)

But when you're walkin' down that street  
And you ain't had enough to eat  
That glitter rubs right off and you're nowhere  
(On Broadway)

They say the boys are something else on Broadway  
(On Broadway)  
Yeah, but looking at them just gives me the blues  
(On Broadway)

'Cause how you gonna make some time  
When all you got is one thin dime  
And one thin dime won't even shine your shoes  
(On Broadway)

They say that I won't last too long on Broadway  
(On Broadway)  
I'll catch a Greyhound bus for home, they all say  
(On Broadway)

But they're wrong, I know they are  
'Cause I can play this here guitar  
And I won't quit till I'm a star on Broadway  
(On Broadway)

Oh, but they're wrong, I know they are  
'Cause I can play this here guitar  
And I won't quit till I'm a star on Broadway  
(On Broadway)

I'm gonna make it yet  
I'll be a big, big star now  
(On Broadway)  
I'll have my name in lights  
(On Broadway)  
Everybody's gonna know me, yeah  
(On Broadway)  
All over town
