

## Until It's Time for You to Go

Nancy Sinatra

You're not a dream, you're not an angel  
You're a man  
I'm not a queen, I'm a woman  
Take my hand

We'll make a space in the lives  
That we'd planned  
And here we'll stay  
Until it's time for you to go

Yes, we're different, worlds apart  
We're not the same  
We laughed and played at the start  
Like in a game

You could have stayed outside my heart  
But in you came  
And here you'll stay  
Until it's time for you to go

Don't ask why  
Don't ask how  
Don't ask forever  
Love me, love me, just love me now

This love of mine, had no beginning  
And it has no end  
I was an oak but now I'm a willow  
Now I can bend

You're not a dream, you're not an angel  
You're a man  
I'm not a queen, I'm a woman  
Just take my hand

We'll make a space in the lives  
That we'd planned  
And here we'll stay  
Until it's time for you to go

Until it's time for you to go
