Until It's Time for You to Go

Nancy Sinatra

You're not a dream, you're not an angel You're a man I'm not a queen, I'm a woman Take my hand

We'll make a space in the lives That we'd planned And here we'll stay Until it's time for you to go

Yes, we're different, worlds apart We're not the same We laughed and played at the start Like in a game

You could have stayed outside my heart But in you came And here you'll stay Until it's time for you to go

Don't ask why Don't ask how Don't ask forever Love me, love me, just love me now

This love of mine, had no beginning And it has no end I was an oak but now I'm a willow Now I can bend

You're not a dream, you're not an angel You're a man I'm not a queen, I'm a woman Just take my hand

We'll make a space in the lives That we'd planned And here we'll stay Until it's time for you to go

Until it's time for you to go
