Darn That Dream

Nancy Wilson

Darn that dream, I dream each night You say you love me and you hold me tight But when I awake, you're out of sight Oh, darn that dream

Darn your lips and darn your eyes
They lift me high above the moonlit skies
Then I tumble out of paradise
Oh, darn that dream

Darn that one track mind of mine
It can't understand that you don't care
Just to change the mood I'm in
I'd welcome a nice old nightmare

Darn that dream, And bless it too Without that dream I never have you But it haunts me and it won't come true Oh, Darn that dream

Darn that dream, And bless it too Without that dream I never have you But it haunts me and it won't come true Oh, Darn that dream
