## **Did I Remember**

## **Nancy Wilson**

Did I remember to tell you I adore you And I am living for you alone?
Did I remember to say I'm lost without you And just how mad about you I've grown?

You were in my arms and that was all I knew We were alone, we two, what did I say to you? Did I remember to tell you I adore you And pray forevermore you're mine?

You were in my arms and that was all I knew We were alone, we two, what did I say to you? Did I remember to tell you I adore you And pray forevermore you're mine?
