

# Don't Come Running Back To Me

Nancy Wilson

If she walks out on you  
Don't come running back to me  
Don't come running back to me

When you're alone and blue  
Don't come running back to me  
Don't come running back to me

If she's the one you want  
Good luck and goodbye  
I won't stand in your way  
I won't even try

Someday you'll miss my kiss  
You'll come knocking on my door  
You'll come knocking on my door

But just remember this  
I won't want you anymore  
I won't want you anymore

When you wake up and find  
I'm in your heart and on your mind  
Don't come running back to me  
Don't come running back to me  
Don't come running back to me

When you wake up and find  
I'm in your heart and on your mind  
Don't come running back to me  
Don't come running back to me  
Don't come running back to me
