

Love Dance

Nancy Wilson

From too much talk to silent touches
Sweet touches
We turned out hearts to love
Then tried it, first time romance
There in the quiet, love learns to dance
We loved, we slept, we left the lights on
The night's gone and morning finds us caught
In life's most sensible trance
Turn up the quiet, love wants to dance
Old songs, a new life
And hearts that understand like ours
And old dreams find young wings
In silence, in silence
From too much talk to silent touches
Love touches
When pure emotion takes the moment
We take the chance
Turn up the quiet, love wants to dance
Love wants to dance
