Secret Love

Nancy Wilson

Once I had a secret love
That lived within the heart of me
All too soon my secret love
Became impatient to be free

So I told a friendly star
The way that dreamers often do
Just how wonderful you are
And why I'm so in love with you

Now I shout it from the highest hills Even told the golden daffodils At last my heart's an open door I have no secret, it's no secret anymore
