

Watch What Happens

Nancy Wilson

Cold, no, I won't believe your heart is cold
Maybe slow to warm on a long lonely night

Let someone start believing in you, let her hold out her hand
Let her touch you and watch what happens

One someone who can look in your eyes, and see into your heart
Let her find you and watch what happens

Cold, no, I won't believe your heart is cold
Maybe just afraid to be broken again

Let someone with a deep love to give
Give that deep love to you, and what magic you'll see

Let someone give her heart, someone who cares like me
