

## Inhale Exhale

Nao

Running out of luck  
Take me to the church and back again  
Without tripping up  
Search the wild until I'm found again  
If you've had enough  
Lose me to the fire and take me in  
I can't get enough  
And I'm not going to hide  
So many reasons  
Why you're better off  
You've seen the madness  
Blind to right or wrong  
I tried to put my brakes on  
But I'm already lost  
Lost to the madness  
Cause when I inhale, exhale  
I'm back again

Glass empty or full  
Quench my thirsty tongue, I'm drinking it  
Master of my school  
Break the rules until I'm linking them  
It's me, it's not you  
I can't get enough, I'm swimming in  
Oceans old and new  
I'm not going to lie  
It's your decision  
I'm already lost  
Don't try to reason  
By the time I inhale, exhale  
I'm back again

Lost to the fire  
Heartache, madness  
Find me deep in the ocean  
Wild, harmless  
Pull me out of the river  
Heartache, sadness  
Find me deep in the ocean  
Cause when I inhale, exhale  
I'm back again
