

## Interlude

Nao

Something, something, something  
(Baby you've got)  
Something, something, something  
(Baby you've got)  
Something, something, something  
(Baby you've got)  
Something, something, something  
My girl, you got something, something, something  
(Baby you've got)  
My girl, you got something, something, something  
(Baby you've got)
