

# Beauty Fades

Naomi Terra

Maybe she was one once  
Do i see my future in her  
presence  
I can't stop staring  
A shopping cart is  
all she has now  
And a bleeding heart never paid the bills  
and  
Beauty fades

Down on sunset boulevard  
No  
one stops to look at her  
No one notices her figure  
Men  
once fought to get her name  
Her hair was long and colored  
blonde  
Her lashes curled up to the sun  
With black  
mascara

Ooh, keep your feet focussed forward on the  
sidewalk  
On the stars  
On another day

Cause  
beauty fades  
Like the sun in march like the rain in  
may  
Beauty fades  
Like the secret truth of a summer  
day  
Beauty fades

I like to drive into the hills of  
laurel canyon  
I like the houses and the trees  
I like the  
money in my bank account  
And it's running out  
But  
i'll worry about that another day  
As beauty  
fades

Ooh, people they don't want you when  
you're ugly  
After they've taken everything you had  
to offer  
Away away away

Ya beauty fades  
Like  
the sun in march like the rain in may  
Beauty fades

Like  
the secret truth of a summer day  
Beauty  
fades

Summertime i watch the girls go by  
Dressed in  
their summer clothes  
Maybe there's another truth  
awaiting them  
I will never know  
They wait they  
wait  
They are waiting for someone to say  
I choose  
you  
And then carry them away carry them away  
Away away  
away

Ya beauty fades  
Like the sun in march like the  
rain in may  
Beauty fades  
Like the secret truth of a  
summer day  
Beauty fades  
Beauty fades

And pretty  
girls do what you can while you're still pretty  
The  
lines around the eyes are the to show  
So hide your  
age  
Gracefully...
