

Can't Kill You

Naomi Terra

Love me with all your heart
That's what I heard you say
And if you didn't mean the world to me baby
I'd put you in your grave okay
okay, okay..
You want a perfect day
Just show me one
It ain't done, it ain't done, it ain't done
Til I've had my fun

But I can't kill you
I can't kill you
I can't kill you
Cause you're my baby

I wanna drag you down in the dirt
Til you can't resist
It seems like these days baby
It seems like these days
It don't get much better than this

You say you want a perfect day
Just show me one
It ain't done, it ain't done, it ain't done
Til I've had my fun

But I can't kill you
I can't kill you
I can't kill you
Cause you're my baby

You say you want a perfect day
Just show me one
It ain't done, it aint done, it ain't done
Til I've had my fun

I can't kill you
I can't kill you
I can't kill you
Cause you're my baby
Yeah you're my baby
You're my baby...
