

# Not Sorry

Naomi Terra

I saw her just the other day  
See what you mean, yeah, she's okay  
Seems like a sweet enough girl but she's not me  
You take the lead, I'll take your hand  
I'll follow you, just like we planned  
Up to your room and lock the door

Not sorry

'Cause I can see it's true that you adore me  
Let's not leave this room till tomorrow morning

'Cause I don't care about your plans  
Don't care if you're somebody's man  
I look into your eyes, I know you want me  
So tell her anyway you can, just let her go  
She'll understand and if she doesn't that's too bad

Not sorry

I'm not normally quite this bold  
I've been a good girl so I'm told  
Not usually the type to take what's not mine  
But I look at you and I can see  
That you're the only one for me

Let's not pretend it's something else  
I'd rather, we not fool ourselves  
And if she's sad I've got some words of comfort  
She's better off without some one who doesn't want her

'Cause I don't care about your plans  
Don't care if you're somebody's man  
I look into your eyes, I know you want me  
So tell her anyway you can, just let her go  
She'll understand and if she doesn't that's too bad

Not sorry

And I believe in circumstances  
Trust in fate and take your chances  
And I know that love is all we need  
And you'll find that love with me  
And you'll find that love with me

'Cause I don't care about your plans  
Don't care if you're somebody's man  
I look into your eyes, I know you want me  
So tell her anyway you can, just let her go  
She'll understand and if she doesn't that's too bad

Not sorry

'Cause I don't care about your plans  
Don't care if you're somebody's man  
I look into your eyes, I know you want me  
So tell her anyway you can, just let her go

She'll understand and if she doesn't that's too bad

Not sorry
